Nottingham tram map

Both NET lines and all 50 tram stops on one sheet

NOTTINGHAM TRAM
Independent guide to the Nottingham tram

Line 1 Line 2

Schematic diagram drawn by nottinghamtram.org from the operator's stop lists and the Traveline National Dataset (OGL).
Stop names, their order and the line colours are the published ones; distances and angles are not to scale.
The arrows mark the Hyson Green one-way loop: inbound trams call at Radford Road, outbound trams at Noel Street.
